

# RUSHVILLE COMMUNITY FUND

Est. 2015

The Rushville Community Fund is an affiliated fund of Nebraska Community Foundation. It was affiliated in 2015 to create an avenue for donors to “give back” to the community and a way for donors to invest in Rushville now and for the future.

The Rushville Community Fund was instrumental in helping the City of Rushville raise money to purchase the new fire truck in 2020.

Charitable dollars were the driving force behind the Modisett Ball Park Renovation in 2014. The Gottschalk family led the charge, and many other generous donors invested in renovating the old ballpark.

## NEW PROJECT

The Rushville Community Fund is working with the Sheridan County Historical Society to raise money for the Sheridan County History Center. The Center will be an addition to the existing Armstrong House Museum, adding much needed space to the existing Rushville Museum.

**Fundraising goal - \$500,000**
